

## Women's Testimonials

“When I was invited to take part in this amazing experience, I really had no idea what it was about. I really thought it was, for lack of a better way of putting it, “just another retreat”, and perhaps a good opportunity for fellowship, and a renewed spirit. Well, it turned out to be one of the most amazing, and profoundly life changing experiences of my life, and one of the most important stepping stones in my faith journey! The relationships that were formed, are beyond description, so I won't even try! To say that I highly recommend this as a gift that everyone desiring a deeper relationship with Christ, should give themselves is the understatement of a life time! Do it! I promise, you won't be disappointed!”

“My husband had a wonderful experience with CRHP and encouraged me to attend. CHRP is an experience that will bring you closer to God and let you meet great people who are your fellow parishioners. The bonds that are formed across CRHP sisters are amazing. We are the same in our desire to be in a relationship with God and give witness to His presence throughout our lives.”

“In the beginning I was somewhat skeptical, though expectant as well. During our team formation along with a leap of faith, I received much more than I gave. I just didn't know how much I needed CRHP! Definitely for me, it was a life-changing, faith-growing experience.”

“CRHP has given me an opportunity to grow in my faith-life, develop a more intimate relationship with Our Lord, and join in a group of faith-filled, warm, supportive women as ‘CRHP sisters.’ It has brought me the peace and joy of living in an active community-of-faith. Truly, it was a life changing experience and wonderful in ways that words can't begin to explain!”
